MISSION CAPABILITIES IMPACTED

- Logistics Sustainment (High)
- ISR Data Exploitation (Medium)
- Air Tasking Management (High)
- Secure Coalition Messaging (High)
- Battlefield Telemetry Functionality (Low)
- Strategic Comms Resilience (Medium)
- Joint Fires Coordination (Medium)
- Maritime Domain Awareness (Low)

BUSINESS SERVICES IMPACTED

- Vulnerability Management (High)
- Endpoint Protection Consistency (Medium)
- Command Portal (High)
- Mission Planning Platform (Medium)
- Geo Intelligence Service (Medium)
- Secure Email Gateway (Medium)
- Operational Ticketing (Low)
- Data Lake Service (High)
